N/A, Moreno Valley,

This home has great potential and a low tax rate!

Check out the floor plan provided, this home has a great layout. When you enter, you enter into a great foyer. To the left is the formal family room and formal dining space, to your right is a grand staircase and beside that access to the family room with a very nice fireplace. Tucked around the corner is a nice kitchen with ample counter space and access to the rear yard.

Upstairs you will find your primary bedroom with a fireplace and large walk-in closet as well as a balcony. The primary bedroom has an ensuite bathroom with dual sinks and a large shower. Opposite this room is the two additional bedrooms. Each bedroom is a good size, but the rear bedroom is oversized. The hall bathroom includes a tub/shower combo.

The backyard needs a little love but has great potential with a nice cement side yard.
