A 3-car garage adds even more room for vehicles and storage. Behind the gated courtyard, a custom glass-and-iron double front door opens into a tiled foyer with instant, breathtaking views of the lake. The kitchen is a gourmet entertainerâ€™<sup>TM</sup>s dream, featuring custom cabinetry with built-ins, granite countertops, an oversized island, and even a built-in coffee bar. Stainless steel appliances, double microwave shelving with convenient slide-out access located under island. A generous dining area completes this well-designed space.

The primary suite is conveniently located on the main floor, offering tranquil lake views to greet you each morning. Included dual closets and a beautifully remodeled ensuite bathroom featuring dual walk-in showers with heavy glass enclosures, a private water closet, and

double vanity with elegant finishes throughout. Upstairs, you'll find two spacious guest bedrooms and a full bath, ideal for family or visitors. A stylish powder room serves the main living area. Outdoor living is just as impressive. A full-width covered deck draped in travertine invites gatherings and quiet relaxation. Down by the seawall, an expansive covered cabana creates the ultimate waterfront lounge space. A custom dock with a hydro lift has been enhanced with specialized features to reduce the effects of torque on the dock.
