4 Bedroom, 3.00 Bathroom, 1,817 sqft

Residential on 1 Acres

N/A, Moreno Valley,

If you're looking for an updated family home with just under an acre lot of flat, usable space, this is the house you've been looking for! According to the city, this large lot can be subdivided into a total of 3 lots, with access to a cul-de-sac street at the back of the yard. This large lot provides plenty of potential to build on or design the backyard oasis of your dreams. The property already has an in-ground pool and spa, with an expansive covered patio and extended driveway into the backyard for multi-purpose parking. The widened, lengthy front driveway has even more areas for parking with an attached 3-car garage. And for easy yard maintenance, the front and back yards have draught-tolerated plantings and hardscapes. Once inside the home, you will find plenty of natural light and ample space for your family with 4 bedrooms, 3 bathrooms, a spacious living room and dining area and an updated, open-concept kitchen with an island overlooking the family room and pool with full access to the patio area. The inviting family room has a wood beamed ceiling with a large brick fireplace, perfect for cozying up on those cold winter nights and movie watching with the family. Newer flooring, baseboards and paint throughout, with all bathrooms and kitchen completely remodeled with modern fixtures. This home is move-in ready and just waiting for its new owners!
