Residential on 0 Acres

N/A, Riverside,

Welcome to 2330 Peppertree Lane, nestled at the end of a cul-de-sac in one of Riversideâ€™s most desirable neighborhoods. Situated on an expansive 18,295 sq. ft. lot, this beautifully upgraded residence offers 2,177 sq. ft. of refined living space, enhanced by thoughtful renovations and an entertainerâ€™s dream backyard. The front exterior has been recently painted, creating a crisp, modern curb appeal that complements the homeâ€™s elegant design. There is plenty of parking space, including a side driveway that could be ideal for RV parking.

The outdoor space has been transformed into a private resort-style retreat. A custom Pebble Tec poolâ€”including a remote-controlled systemâ€”serves as the centerpiece, surrounded by custom rock walls, stained and sealed concrete decking, and lush, low-maintenance landscaping. Towering palm trees, planted with a drip irrigation system and mulch for weed control, add a tropical ambiance. A built-in rock BBQ island, featuring a premium Lion grill and ice chest beneath a Palapa, creates the perfect space for outdoor dining and entertaining. Thereâ€™s also a firepit for enjoying summer nights under the stars.

Inside, the home has been enhanced with an array of high-end upgrades designed for both comfort and convenience. The kitchen is equipped with quality appliances, and the

garage floor has been professionally finished with epoxy and sealant.

Bathrooms have been completely remodeled, including a fully redesigned primary suite featuring a rainfall shower, updated flooring, and a walk-in closet. Additional features include laminate flooring, updated stonework around the fireplace, dimmable LED lighting in the kitchen and living room, and ceiling fans in every bedroom.

For added efficiency and comfort, the home includes dual whole-house fans—“one servicing the entire home and one dedicated to the master suite—as well as paid-off solar panels, offering long-term energy savings. The expansive lot offers incredible potential for future growth, with ample space at the rear corner of the property—perfect for adding an ADU with its own gated entry, detached guest suite, or home office setup (buyer to verify).

Blending timeless design with modern enhancements, this home delivers exceptional indoor and outdoor living on an oversized lot. This is Riverside living at its finest—upgraded, freshly painted, and move-in ready. Make this great home yours today.
