--Beautifully Upgraded Home with Resort-Style Backyard--

Welcome to a home that has been lovingly maintained and thoughtfully upgraded over the years. With a sparkling saltwater pool, newly updated systems, custom craftsmanship throughout, and a serene outdoor retreat, this property offers the perfect blend of comfort, style, and function.

Step into a backyard built for relaxation and entertaining. The saltwater Pebble Tec pool (constructed in 2005) features a striking navy-blue finish and was professionally tile-cleaned in August 2024. A newer Pentair WhisperFlow VST pump (2023) ensures efficient, quiet operation. Enjoy California evenings under the covered patio with its ceiling fan and warm market-string lighting, or gather around the custom-built picnic table and seat wall beneath the oversized 11-ft umbrella. A 10x8 shed, installed in 2005, adds extra storage for tools, toys, or outdoor equipment.

Inside, the home continues to impress with quality upgrades and custom details. The kitchen features white quartz countertops, a modern sink, vinyl flooring (2016), and a brand-new Bosch dishwasher (Dec. 2024). The family room includes a real wood-burning fireplace, a custom one-of-a-kind mantle, French doors to the patio, and commercial-grade engineered wood flooring.

In the living room youâ€™ll find more thoughtful craftsmanship with custom-built shelving and a window seat, complemented by beautiful drapes.

Major exterior upgrades were completed in 2020â€“2021, including American Vision (Anlin) double-pane ThermaCoat windows, a new front door, brick porch with Spanish tile, full exterior painting (Sherwin-Williams Alabaster), and new LiftMaster garage doors. Energy efficiency shines with a QuietCool attic fan and whole-house fan (both installed 2016), plus new attic AC ducting and pest-resistant T.A.P. insulation added in 2020. The primary suite was updated in 2022 with a new shower, soaking tub, quartz counters, flooring, and paint. Additional bedrooms include upgraded flooring, with new vinyl planks added to the front bedroom in 2020.

The landscaping is easy to maintain and beautifully designed with drip irrigation on all plants and an irrigation controller that manages the entire exterior.

This home offers comfort, charm, and quality at every turn, ready for its next owner to love just as much as the last.
