4 Bedroom, 3.00 Bathroom, 2,034 sqft
Residential on 0 Acres

N/A, Riverside,

This beautifully renovated mid-century modern home has been completely updated with quality materials. Recent improvements include fresh exterior paint, energy-efficient Milgard sliding doors, modern LED lights installed throughout most of the house, and solar panels for energy savings.

The kitchen is a chef's dream, fully remodeled with custom cabinets, quartz countertops, and high-end appliances including an Asko dishwasher, Sharp microwave drawer, 42-inch Sub-Zero refrigerator, and a professional 48-inch Viking gas range with powerful exhaust hood. Recent upgrades include a newly renovated custom fireplace with a floating wood mantel and stone tile, plus two completely remodeled bathrooms upstairs. The home also features solid wood doors with stylish handles and a complete security system with HD cameras, ADT monitoring, and smoke and carbon monoxide detectors.

The huge lot is over 12,600 square feet (more than a quarter acre) with plenty of parking space. It includes reinforced concrete RV parking with a dump station and full hookups. The backyard also has gas, water, and electrical hookups already in place, making it easy to add features like a pool or outdoor living space. The yard is pre-plumbed for pool installation and offers plenty of room for entertaining or possible additions like an ADU (check with the City of Riverside for building requirements).

This turnkey property has no HOA and low property taxes, making it move-in ready with everything you need. This home truly needs to be seen in person to appreciate all the quality upgrades and possibilities it offers.
