4 Bedroom, 2.00 Bathroom, 1,635 sqft
Residential on 0 Acres

N/A, Calimesa,

Beautifully updated and thoughtfully upgraded, this home blends modern comfort with inviting spaces inside and out. Fully remodeled approximately two years ago with updated windows, doors, and numerous interior improvements, it offers a fresh, move-in-ready feel from the moment you step inside.

The home is equipped with 51 solar panels, giving you the freedom to run the AC all summer long and enjoy year-round comfort. Inside, the open floor plan creates a natural gathering space, centered around a generous 3' x 8' kitchen island, an additional 8-foot serving counter, and dual 3-foot pantries, perfect for cooking together, hosting friends, or simply enjoying everyday living. Smart-home features include an EcoBee 5 thermostat with Amazon Alexa, touchscreen bathroom mirrors with adjustable lighting and defrost, bathroom exhaust fans with built-in Bluetooth speakers, and hard-wired security camera capability.

The bathrooms offer thoughtful touches such as bidet features with adjustable water temperature, pressure settings, and warm air-drying. The primary bathroom adds a spa-like feel with a large shower featuring a rain shower head, handheld sprayer, and six adjustable massage jets. The guest bedroom includes a full wall-mounted Murphy bed with custom cabinetry, providing comfort and flexibility for visitors or workspace needs.

Outdoor living is where this home truly shines. The backyard is designed for connection and enjoyment, featuring a fully equipped outdoor kitchen with a natural-gas 90,000 BTU BBQ, sink, garbage disposal, bar with under-counter lighting, kegerator, and two drop-in coolers, an ideal setup for grilling, celebrations, or relaxing under the covered patio. With ceiling fans, lighting, and wiring for a future hot tub, the space invites you to unwind, entertain, and enjoy! The yard includes sprinklers, grass in both front and back, a shed, and RV parking for added convenience.

Additional features include a tankless water heater, 2-ton mini-split system in the garage, updated furnace with side-discharge AC, two overhead garage storage areas, and wiring for a whole-house generator.

This home offers a welcoming blend of comfort, style, and functionalityâ€”inside and out.
