Perfect for entertaining, you and your friends and family can enjoy those panoramic views from one of 2 large patios. The modern interior design, with approximately 3,263 sq. ft. of living area, features 4 bedrooms, an office/den (could be converted into a 5th bedroom), and 3.5 baths. The open concept dining room and living room open to the huge remodeled kitchen of a designer home. Go upstairs to the owner's suite where a spacious bedroom invites you to relax in an ensuite with fireplace. The luxury bathroom has a jetted tub and dual sinks, and the walk-in closet will accommodate anyone's treasured collection or wardrobe. A highlight of the home is the large 4-car garage with smart garage openers that serves as a showcase for anyone passionate about cars. The garage and exterior have space for a

large collection with RV parking and an electric security gate. The garage is also prewired for a 220V electric vehicle charger. The home was renovated with high quality upgrades just 5 years ago; bathrooms, kitchen, interior paint, flooring, new HVAC systems for the main living area and owner's suite, water heaters, lighting, and roof maintenance completed for peace of mind and ease. This cherished home is beautifully updated and maintained. This is a prime location with easy access to freeways and conveniently located near shopping while still offering the privacy of an estate.
