Looking for a newer home with no HOA, no back neighbors, and single story? This could be the one. Functional floor plan with open space. Large kitchen with pantry and island that looks across the family room at a fireplace. Versatile office space off the living room. Bright and light! A huge master suite with attached bathroom that includes a separate tub and shower. Generously sized walk-in closet. Larger bedrooms. Indoor laundry room. Oversized, three car garage. Did I mention NO HOA! The backyard abuts a road so no rear neighbor. Conveniently located near freeways, schools, shopping, and restaurants. With a little love, this could be a wonderful opportunity. Take the time today to see this home.

No one died on the property. Property is in a trust and will require trust members to approve. Should take an estimated extra three days.
