3 Bedroom, 3.00 Bathroom, 1,598 sqft

Residential on 0 Acres

N/A, Yucca Valley,

The home was a long-term rental, and it needs some TLC. It is nicely laid out and has a good-sized living room. The kitchen is cute, with the cabinets painted a soft faux color. Just off the kitchen is a small room that could be used as a separate dining area, office, or workout room. The bedrooms and bathrooms are nice-sized. The best part is the detached ADU out in the backyard. This could be such a sweet little addition for friends and relatives. Therefore, this property is a three-bedroom and three-bath property. The laundry is in the double garage for the main house, but the ADU has a stackable washer & dryer. Out the back of the main house is a covered patio with a privacy fence so as not to disturb anyone in the ADU. This is all on a great lot, close to shopping and restaurants. This is an excellent investment. The home is all-natural gas, and it is all hooked up to the sewer.

Built in 1971
