Residential on 0 Acres

N/A, Yucca Valley,

Back on the market as buyer's financing fell through - price adjusted to meet current market. This 1977 desert gem has been thoughtfully updated while keeping its retro charm intact. Move-in ready with brand new HVAC, all-new ductwork, and a Nest thermostat for modern climate control. Plus, the home retains its original swamp cooler and in-wall heater for flexible comfort options. The leased solar panels keep energy costs impressively low—just \$75/month, including HVAC and EV charging.

The stylish kitchen features imported Brazilian tile, high end CE cafe refrigerator/freezer and refreshed cabinets. The renovated bathroom includes the same imported tile for a cohesive look. Floors are finished in beautiful terracotta tile, adding to the home's warm, earthy aesthetic.

Sitting on a spacious corner lot, this property offers a two-car garage with Samsung washer/dryer, extra driveway parking, plus gated side access for RV or extra vehicle storage. A large covered patio shaded by mature trees creates the perfect space to relax and entertain.

Major upgrades include a brand new sewer hookup (installed and paid for!) and a natural gas connection, adding long-term convenience and value.

Located in a hip and up-and-coming area of Yucca Valley, just minutes from Frontier Café, Luna Sourdough, vintage shops, and a short drive to Pioneertown and Joshua Tree

National Park. Plus, it's only 35 minutes to Palm Springs International Airport, making weekend getaways a breeze.
