This desert retreat is the perfect escape into nature, offering both tranquility and the beauty of the desert landscape. The seclusion and the proximity to Joshua Tree National Park make it an ideal place for those seeking a peaceful, private environment while still having access to the park's natural wonders. The elevated cabin structure is a smart feature, especially for security and avoiding any runoff during the desert storms while also providing a nice front deck to relax and unwind after a day of hiking.

With the variety of wildlife, it's not just a retreat, but an opportunity for nature enthusiasts to observe the desert's ecosystem up close—tortoises, quails, and cottontails all sound like fascinating neighbors! Tucked away at the end of a quiet cul-de-sac, peaceful seclusion is almost a guarantee! There is a functional kitchen with dishwasher, refrigerator and stackable washer / dryer hookups. The structure itself has 1 Bedroom, 1 Bathroom, a living area and kitchen with breakfast nook. Central Heat and AC will help provide the perfect indoor environment. Don't miss this rare opportunity to capture the best that the Desert has to offer!!
