2 Bedroom, 2.00 Bathroom, 1,808 sqft

Residential on 0 Acres

N/A, Kelseyville,

Don't hesitate on this Homepath Lakefront property in Soda Bay. County records show the 2 story home at just over 1800 sq ft; entry from street is to the upper floor. Upstairs is the Living room with fireplace, sun room overlooking the lake, kitchen, dining room, pantry, 1 bedroom and 1 bath with shower. Downstairs has a large hall, 2nd bedroom, 2nd bath with new tub/shower combination and vanity plus tiled steam room, laundry room and a bonus room leading to the lake. Some of the many features include new floor covering in most rooms, new kitchen cabinets with stainless stove, microwave hood and dishwasher, new interior and exterior paint, new light fixtures, new roof, new septic and new mini split heat/air conditioning system with heads on both floors; in addition both floors have monitor heaters. Let's not overlook that the home has just over 100 feet of lake frontage and a long pier. And we can't forget the large detached game room with mini split heating/air conditioning, bar and a wall of windows overlooking the lake! OR the separate guest room off to the side. One last thing, looks like a prior owner had someone do some bear carvings on a couple of the tree stumps creating some great yard art!!

Built in 1941
