Residential on 13 Acres

N/A, Lakeport,

Country classic farmstead property for the buyer who wants to farm, have some animals, or some commercial farm activity. Since 1990 this was locally known as "Renker Farms" a local farm stand selling home grown fruits, vegetables, and walnuts until just a few years ago. Spacious ranch house offering 3 bedrooms, 2 baths, a country style kitchen and large living room with a fireplace. A large covered concrete patio has a new roof. It offers a great space for outdoor dining and gathering. Newly remodeled bathroom with walk-in shower, marble flooring and a new comfort height vanity and commode. Close to the house you'll find a huge barn/shop building that offers covered parking for several vehicles and tractor storage. Get an early start or even grow your food tear round with the expansive greenhouse.

The ag well and the house well both have new pumps. A good domestic well supplies the house and yard. Out front you'll find the remnants of the old farmstand that wouldn't take much to revitalize and get folks coming by again. This property is well situated between Kelseyville, Finley and Lakeport.

Built in 1980
