East Nine (EN), Laguna Niguel,

Chic Upper Unit with Views of the Golf Course:

Live your best life in this stylishly remodeled upper unit, perfectly perched on the El Niguel Country Club Golf Course. With sweeping views of the fairways and surrounding hills, this home blends contemporary vibes with easy comfort. The kitchen is a showstopper, featuring sleek new cabinetry, stainless steel appliances, and quartz countertops—plus a custom-lit storage island that's both functional and beautiful. Ceiling fans in the kitchen, living room, and bedrooms keep things cool.

Primarily single level, the living room, dining and kitchen offer an open concept with dark wood plank floors throughout and natural wood beam ceilings that give the living space a cozy, yet airy feel, amplified by the soaring two-story ceilings. Glass sliding doors lead to a covered balcony, where you can sip coffee or dine al fresco while taking in the views.

Additional storage and a laundry closet is conveniently accessed from the balcony too.

Head up the spiral staircase to the loft—flooded with natural light and currently an office, but perfect as an extra sleeping space or chill zone. The primary bedroom is a retreat, with a HUGE walk-in closet behind a stylish barn door. And the primary bath is sublime with a curb-less walk-in shower, floating cabinetry and a double-wide sink. The secondary bedroom is currently used as an exercise space. While the mild SoCal coastal climate means you can skip the AC and heater most days of the year, the added BONUS of

the newer air conditioning system is available to keep you comfy year-round. There is a two-car detached garage with tool racks and shelves for extra storage and a new garage door motor/opener. Laguna Beach, Dana Point, and Monarch Beach and San Clemente are just minutes away, with world class dining, beaches and surf spots, youâ€™re in the heart of it all. Golf, a pool, BBQs, and coastal vibesâ€”this is the ultimate place to call your full time home or your weekend escape.
