N/A, San Clemente,

We are so pleased to announce our newest listing in the charming coastal enclave of San Clemente. Located west of the 5 freeway and set on nearly half an acre, homes like this seldom come to the market. The main home consists of three bedrooms and two bathrooms, all on a single level. Additionally there is a two bedroom, one bathroom unit over the garage with a full kitchen which makes for a perfect in-law quarters or could be used for added income if so desired. The home features ocean views and picturesque Catalina sunsets on clear days. New flooring throughout, fresh paint, wrap around porch and stucco perimeter wall are just some of the recent upgrades. This home is full of potential and has a huge upside. Plenty of room to expand the home or to create the ultimate backyard haven. Equally close to the beach and downtown, not to mention walking distance to the extremely popular Los Molinos district with surf shops, breweries and more.
