N/A, Dana Point,

Welcome to Casa Santa Clara, an exquisite Spanish Colonial Revival estate perched atop the bluff overlooking Dana Point Harbor. Inspired by the iconic works of Wallace Neff, this custom home embodies the timeless elegance of early California architecture, seamlessly blending Old World craftsmanship with modern luxury.

From the moment you step inside, sweeping panoramic ocean and harbor views captivate the senses, while the meticulous design details--hand-painted tiles, intricate wrought-iron accents, and exposed wood beams--reflect the unmistakable influence of Neff's refined aesthetic. The main house offers three beautifully appointed bedrooms, while the guest house features two additional bedrooms, creating a private retreat for visitors. These two parts of the property are connected by a stunning courtyard, where a vibrant Marlo Bartels fountain serves as the crown jewel, celebrating the rich tradition of Spanish tile artistry. Throughout the home, these intricate tiles emerge unexpectedly, adding warmth and character to the crisp, eggshell stucco exterior (originally textured by Sicilian craftsmen) all homages to Neff's architectural legacy. Designed for effortless coastal living, Casa Santa Clara spans three levels, all accessible by a private elevator. The gourmet kitchen, adorned with custom cabinetry and premium appliances, opens to an inviting dining and living area, perfect for entertaining. The primary suite is a sanctuary

of its own, offering a spa-like master bathroom and a private balcony to take in the breathtaking ocean vistas. On the third level, a game room/study provides an intimate retreat with unmatched views. The guest house features a mirrored room to host a gym and a home theater in the living quarters equipped with an audio surround system. Step outside onto the expansive terraces and lushly landscaped patios, where ocean breezes and golden sunsets set the stage for al fresco dining and relaxation. With an unrivaled location just moments from Dana Point's world-class marina, pristine beaches, and the charming Lantern District, this estate offers a rare opportunity to own a piece of California's most coveted coastline. As the Dana Point Harbor Revitalization project unfolds, the future shines even brighter. Experience the pinnacle of luxury living in this Wallace Neff-inspired masterpiece schedule your private tour today.
