Hilltop Hideaway with Panoramic Views
Surrounded by nearly two acres of mature trees and dramatic natural boulders, this private retreat offers 360-degree views of rolling hills, distant mountains, and breathtaking sunrises and sunsets. Nestled in the sought-after Lake Crest Estates area, an enclave of custom homes on large lots, the property is reached by a long, gently winding driveway that sets the scene for peaceful seclusion.

Inside, the single-level, 4-bedroom, 2-bath residence exudes a warm "cabin in the woods" ambiance. A large family room with raised, wood-beamed ceilings and a brick fireplace creates a cozy focal point for gatherings. Natural light streams in through skylights, enhancing the open, airy feel.

Practical amenities abound: leased solar panels, plentiful RV and guest parking for six or more vehicles, and a separate tool shed or workshop for hobbies or storage.

This Hilltop Hideaway is ideal for anyone seeking serenity, nature, and inspiring vistas—all while remaining part of a welcoming, upscale neighborhood.
