Residential on 0 Acres

N/A, Los Banos,

There's something special about a home that's been lived in, loved, and well cared for over the years. Tucked into an established neighborhood in North Los Banos, this Ranchwood Estates home with 3-bedrooms, 2-baths offers over 1,600 square feet of comfortable, functional space — the kind of layout that actually makes sense. The living area is cozy, filled with natural light, and opens to a kitchen that's as reliable as it is roomy, complete with classic oak cabinets, a breakfast bar, and plenty of storage. The primary bedroom is generously sized and includes its own en suite bath with double sinks, double closets, a walk-in shower, and a jetted soaking tub — a nice bonus you might not expect. The two additional bedrooms work well for guests, kids, a home office — or whatever life demands next. There's an indoor laundry room (because laundry shouldn't require a trip to the garage), a remote controlled fireplace that adds warmth and character, and a low-maintenance backyard with a covered patio and just the right amount of space for weekend get-togethers, garden pots, or a good book and a glass of something cold. This home has had some updates, such as a newer range, microwave, primary toilet and even comes with a water softener. This one owner home was built as a Model Home and is clean and full of potential — whether you want to move in and enjoy it as-is or take your time adding your own touches, the possibilities are endless. The

exterior was recently painted in 2023, giving it a fresh, cared-for look from the curb. If youâ€™re looking for a place thatâ€™s ready for its next chapter â€“ this might be the one. Come take a look, and see what kind of story you could start here.
