Residential on 5 Acres

N/A, Madera,

This nostalgic older farmhouse brings a sense of comfort, history, love and touches of charm throughout. Originally, it was an apricot farm with mainly sheep and other large animals but now you can have a limit of 3 large animals, as you are now in the city. With plenty of room to roam and enjoy the beauty of it's uniqueness. It has a 2-car garage and a large shop/barn to boot. Priced right to give that perfect family the opportunity to buy a lovely farm right across the street from an elementary school. At this price it is being sold As-is, giving the buyer an opportunity to put their stamp of love and history on this very rare gem.

Built in 1946
