N/A, Aptos,

Nestled in the Rio Del Mar hills, this home is only a little over a mile to the beach and a half mile to the Seascapes Golf Club, yet tucked away in a tranquil cul-de-sac with only 4 homes. Each room boasts stunning arroyo, garden, or ocean views. The backyard offers a secluded setting with a vast deck complete with an outdoor shower and hot tub, also with ocean views. An almost 1/4 acre lot that extends to a serene garden oasis, presents a rare opportunity for a potential ADU or lot split with direct street access below. The main living area features high ceilings and many windows that capture the views and infuse the space with natural light. The generously-sized kitchen and dining area open to the living space with a gas fireplace and another deck, an idyllic place to unwind and entertain. Multi level living provides for good separation; Some steps up from the main living area is a space perfect for a home office, 1/2 bath, and the primary suite with its own deck and bath, featuring a steam shower. The downstairs bedrooms are spacious, one with an ocean-view deck, sharing a bathroom. Close to shopping, dining, local schools and more.
