Residential on 2 Acres

N/A, Portola Valley,

Set on two acres of picturesque rolling hills dotted with California oaks, this country manor is architecturally designed to evoke the beauty & appeal of a French country estate. Inside & out, the home embodies elegance & charm with rustic sophistication. The exterior is a harmonious blend of natural stone & stucco siding, complemented by a high-pitched Vermont slate roof. Large arched windows & handcrafted oak timber doors enhance the sense of history & authenticity. The design features a masterfully constructed covered bridge, made from reclaimed barn wood & bluestone flooring, connecting the round turret of the main home to the upper-level guest quarters above one of two garages. Handcrafted wrought iron railings, skillfully forged by a blacksmith, adorn the bridge, the front porch, & stairways from the motor court, adding artistic detail at every corner. Home exudes rustic grandeur with lofty ceilings constructed from hand-hewn century-old beam timbers. Located just minutes from the heart of Silicon Valley, this country manor harmoniously blends architectural splendor, natural beauty, & modern conveniences. It stands as a testament to refined living, where the allure of the past meets the dynamism of the present, creating a sanctuary that is both timeless and contemporary.
