N/A, Carmel,

You've never seen one like this before. A brand-new construction on one of the most highly coveted streets in the Carmel Highlands, this staggering residence rises like a pristine white beacon amidst the cypresses, proposing a novel way to revel in the incomparable beauty of the Monterey Peninsula. A chic bedroom suite and full-scale gymnasium round out the first floor, where an elevator waits in a glassed-in reception area to usher guests up to the top levels. Ultra-modern design reigns supreme in every room, with each architectural choice feeling bold, smart, surprising, and intensely rewarding. Imagine windows that stretch all the way from your feet to impossibly high ceilings in all four bedrooms; spa-like ensuite bathrooms with colossal walk-in showers; a freestanding soaking tub; secret decks for sunbathing; and multiple little reading and relaxation nooks encased in glass where you can drift off or drink in sublime ocean views. The top floor primarily comprises an open concept kitchen and living area anchored by views of the Pacific. Fold back the entirety of the glass wall separating this space from a stunning sunroom awash in light, color, and the splendors of nature. Once you have seen a true work of art like this property, there's simply no settling for anything less.
