This rare offering in a highly desirable community will take your breath away! Built only six years ago, this sleek and modern property is what you've been hoping to find. Homes in this neighborhood seldom come to the market. The elegant grand entry leads to an open living room and kitchen. The dining area can accommodate a large table for entertaining. A modern kitchen designed for the home chef includes top-of-the-line stainless steel appliances, abundant counter space and extra cabinets. Tasteful design details can be found in every room of this home. Upstairs, there is a grand primary bedroom with high ceilings, a gorgeous bathroom and a walk-in closet. This floor also has two additional bedrooms that share a beautiful bathroom. A large laundry room is conveniently located near the bedrooms. The lower floor has an oversized family room that would work perfectly as a media room, which is large enough for a grand piano, pool table or both. There are endless possibilities with this space. It could also be a guest bedroom suite because there is a full bathroom on this level.
