Vintage soul meets modern potential in the heart of Silver Terrace. Sitting at a high vantage point with sweeping views of the San Francisco Bay and Downtown skyline, this 1941 semi-detached gem offers light, inspiration, and room to dream. New interior and exterior paint, refinished original hardwood floors, new back fence, cleared backyard. Original parquet hardwood floors, elegant art deco wood burning fireplace, ornate crown molding, picture windows that reflect a bygone era of craftsmanship and charm. Versatile dining options with both a formal dining room and an eat-in kitchen with skylight. The kitchen and spacious bathroom, with a tub and shower, remain delightfully vintage and ready for your vision. Views from both bedrooms invite your eyes (and imagination) to wander for miles. The enormous garage, adding substantial storage, offers exciting potential for an ADU, workshop, studio, or dream project. A large backyard serves as your creative blank canvas for a lush garden, outdoor entertaining, or whatever your heart desires. Let the transformation begin!
