This property is being sold by the administrator to settle an estate. This sale may require court confirmation. The house has been sold as is where is with no warranty. Buyer is responsible for completing all inspections at buyers cost. It is a fixer-upper and a contractors dream. It could be a first home for a family who was very handy. The kitchen has a lot of charm, with paint carpet and a fresh start the other rooms would really freshen up. From the studio or guest house there is a fabulous be very nice as well full bay ocean view, and adding a second level if someone decided to go up would provide the same full bay ocean view listing agent must be present to show, but is available almost always with two hours notice be sure and confirm time. This is a great opportunity for this neighbor.
