N/A, San Jose,

This is the picture perfect Cambrian home, from the paver driveway and covered front porch, to the fresh and attractive interior. This home has been impeccably maintained and thoughtfully updated. The sellers renovated the home in 2011 to expand the primary suite and improve and expand the floor plan between the kitchen/dining area to create a great room with tray ceilings. (permits obtained) The result is an open and light-filled home with an impressive primary suite and a wonderful flow and open concept kitchen. The hardwood floors have been newly refinished and absolutely glow. Fresh interior paint too! This is an energy efficient home with owned solar panels installed in 2022, generator hookup available, and dual pane windows. In the back yard, have fun with planting a garden in the raised garden beds and perimeter raised beds, and enjoy outdoor entertaining on the paver patio. This home benefits from outstanding schools - Oster Elem, Dartmouth Middle, and Branham high! (always call the district to confirm school availability). Additionally, Sartorette elementary is in direct proximity, and is a charter school, so that could be a wonderful option as well.
