Residential on 0 Acres

N/A, Sunnyvale,

An unmatched blend of luxury, low-density neighborhood, and walkability, this stunning home was professionally designed and completely remodeled with permits by a licensed General Contractor and is located in one of the most desirable neighborhoods in all of Sunnyvale, thanks to its unusually wide streets, uncommonly large lots, and immediately recognizable pride of ownership, all just a leisurely walk to the downtown Heritage district and its array of elite dining, grocery, entertainment, and leisure.

Meticulously remodeled throughout including an entirely new chef's kitchen with high-end solid wood modern cabinetry, quartz, new Bosch appliances, an eat-in island; two professionally designed and fully-rebuilt bathrooms with numerous high-end finishes including in-wall toilets, floor to ceiling tilework, and wall-mounted faucets; new wide-plank hardwood floors; new dual-pane windows; LED lighting; upgraded plumbing and electrical. Meticulous both inside and out, the sprawling floor plan flows seamlessly into a private backyard through dual Andersen doors & a new slider. Move-in ready and professionally dialed, this mid-century home and scenic neighborhood exude a combination of pride of ownership, walkability/commutability, and low-density living rarely found in Silicon Valley.
