The previously expanded primary bedroom suite allows for a future office area or walk-in closet and currently features an oversized primary bathroom with a luxurious zero-threshold walk-in shower/wet room. The modern finishes throughout are highlighted by the renovated kitchen which includes versatile multi-tasking, stainless steel appliances, including a workstation style sink, gas range with convection oven, an over-the-stove airfryer/convection microwave oven, and refrigerator with flex zone drawer. The garage and oversized driveway accommodate several vehicles, perfect for guest parking or households with many vehicles.
