N/A, East Palo Alto,

Welcome to 2396 Glen Way a mid-century modern retreat where timeless design meets everyday comfort. Post-and-beam construction, floor-to-ceiling windows, and original wood ceilings set the stage, while refreshed white oak floors carry you through light-filled spaces designed to feel both grounded and inspiring. The heart of the home centers around the expansive family and dining area, opening onto a private courtyard terrace that invites morning rituals, evenings with friends, or a quiet escape at the end of the day. A skylight over the kitchen bathes it in natural light, keeping its vintage charm while offering the perfect canvas for your own vision.

Three bedrooms, one bath, and nearly 1,450 sq ft of living space sit on an oversized 8,000+ sq ft lot a rare balance of intimacy and room to grow. Updated fixtures add a fresh touch, while a convenient parking space anchors the front of the property. All of this tucked just minutes from Meta, Stanford, Google, and major commuter routes. A home with soul, ready for its next chapter in the heart of Silicon Valley.
