N/A, Hillsborough,

Classic Georgian colonial architecture and modern sophistication are masterfully blended in this gorgeous lower Hillsborough home, located at the end of a quiet cul-de-sac. With a perfect floor plan for any family, this 5 bedroom, 5.5 bathroom property was recently reimaged by designer Jon De La Cruz. The kitchen features custom oiled rift-sawn walnut cabinets, marble island, Pietra Cardoza countertops and backsplash, and a standing seam hood surround. A custom metal see-through fireplace adjoins the living room to the family room, which leads to the fully closable poolside lanai that is ideal for indoor/outdoor living. This property is the perfect balance of tasteful design and modern technology, with new curved standing seam metal roof, copper gutters, solar panels, Tesla battery back-up, and overhauled electrical/fiber internet network/entertainment systems.
