3 Bedroom, 2.00 Bathroom, 2,005 sqft

Residential on 0 Acres

N/A, Fresno,

This beautiful NW Fresno home located in a quiet, established neighborhood offers a unique layout and 2005 sq. ft. of living space. Upon entering the home, a formal dining room with a built-in cabinet sits to the right. To the left is a living area with a custom wood wall and a large picture window. This space could be used as a reading room, office, or a child's play area. The kitchen showcases granite counter tops, subway tile backsplash, and stainless-steel appliances. Off the kitchen is a large family room with a white brick fireplace and a large bay window with storage beneath the seating area. Three bedrooms nestle on the other side of the home along with the primary suite. This spacious primary room includes a reclaimed wood wall, its own ensuite, and a door leading out to a private covered patio area. Vinyl plank flooring covers every room. A large, covered wooden deck offers space for outdoor entertaining along with a pristine backyard that has room for a future pool.

Built in 1979
