Just completed this 3-level modern farmhouse showcases exceptional quality and design. European white oak floors, custom interior doors and white oak cabinets, Grohe/Hansgrohe bath hardware, and Emtek hardware highlight the sophisticated craftsmanship. Beyond the formal living and dining rooms is a showstopping French-inspired great room kitchen with waterfall quartz island, Carrara marble mosaic backsplash, and all Thermador appliances. There are six bedrooms, including three upstairs, one on the main level and two on the lower level, and an elegant powder room with a sophisticated Carrara marble mosaic accent wall. The upper-level primary suite includes a spa-inspired bath and customized walk-in closet, and all three upstairs bedrooms have cathedral ceilings. Additional highlights include multi-zone air conditioning, a wine cellar, smart home wiring, built-in home audio system/speakers, Tesla wall-mounted charger, an illuminated long driveway, and a beautifully landscaped yard with level lawn, patio, and putting green.
