N/A, Pebble Beach,

First time on the market in 58 years! In the heart of Pebble Beach's most welcoming enclaves - Country Club East - this cherished home sits in a neighborhood where every passerby offers a friendly hello and mornings begin with the sweet chorus of songbirds. For nearly six decades, it has been the backdrop for a family's treasured memories. With sun-dappled afternoons exploring nearby hiking trails beneath the towering pines and majestic oaks, and even horseback rides through the forest. Of course, that was back then. One legendary story? Riding a horse all the way to Pacific Grove High School for a science project something only the early 70s could make possible. This is more than a home; its a place where nature, community, and history come together in timeless Pebble Beach fashion.

Built in 1967
