N/A, Pacific Grove,

Dreamy beach house in prime location - just a few blocks to the stunning pacific grove coastline, easy walk to beach and town. Behind the white picket fence is a special seaside cottage that has been updated throughout, with 2 bedrooms and 2 bathrooms this single level floor plan lives spaciously and is filled with beautiful natural light. Wide plank floors throughout compliment the overall style. Living room offers different conversation areas and a great fireplace. Dining room is spacious with an old French door that you can open up to take in the ocean breeze, step out to the large front patio and sit by the fire-pit or dine alfresco. Remodeled kitchen with all new stainless steel appliances, quartz counters, ceramic tile backslash and the latest look in light blue painted cabinets is magazine worthy. Kitchen door opens out to backyard and patio. Two hall bedrooms. Both bathrooms nicely redone. Backyard with gorgeous Hydrangeas, redone stone patio and lovely landscape make this space yet another generous outdoor living area.
