5 Bedroom, 6.00 Bathroom, 3,742 sqft
Residential on 0 Acres

N/A, Los Altos,

Set on a prime corner in a sought-after North Los Altos neighborhood, this newly completed home offers stunning modern design, luxurious functionality, and outstanding flexibility for a variety of lifestyle needs. The all-electric, solar-powered construction blends sleek architectural lines with warm finishes including Jerusalem limestone, wide-plank engineered oak floors, and custom cabinetry throughout. The versatile floor plan includes an attached 1-bedroom, 1-bath ADU with its own living area and kitchen, ideal for guests, extended family, or the living area can optionally be used as part of the main home. At the heart of the floor plan is an expansive great room with a dramatic linear fireplace, stacking sliding glass doors to the terrace, and a designer kitchen finished in striking quartzite. A main-level bedroom suite opens to the yard, while the upper level offers three more bedrooms, including a private primary suite with soaring ceiling and spa-inspired bath. Indoor/outdoor living is fully embraced with a heated covered terrace, a built-in barbecue center, and expansive lawn. Additional amenities include a 10 kW solar array, EV outlets in the garage, and premium windows and doors throughout. All of this, just one mile from the Village with top-rated Los Altos schools.
