Residential on 1 Acres

N/A, Saratoga,

Offered for the first time in 62 years, set on over one flat acre in one of Saratogas most desirable neighborhoods, this cherished Saratoga residence tells the story of a lifetime well-lived. A local physician and a local artist together raised their family and built a rich community around this 2,207 sf charming ranch-style home. The home is gracefully set back from the road, approached by mature trees, lush grass, and a long pebble driveway that leads to a two-car garage. Inside, a spacious living room with tall open-beam ceilings and a fireplace anchors the home. Brick flooring lines a stylish kitchen, a family room, and a light-filled sunroom with a wall of French doors, creating an inviting and comfortable flow. Generously sized bedrooms lined in new carpeting, a mini split system, and an inside laundry room adds comfort and convenience. The private backyard is a sanctuary with a sun-splashed pool deck, pergola, and an artists studio tucked among more mature trees, plantings, and fruit trees. The property offers plenty of space to garden, entertain, or enjoy the serenity of this quiet lot and neighborhood. Move in and enjoy the home as it is, or reimagine the possibilities!
