N/A, Aptos,

The sweet spot of Country Club Park! No golf balls flying over head. No traffic noise. Live just a block off the 11th fairway on a quiet cul-de-sac, one mile from the beach and Seascape Resort. The large flat lot is beautifully manicured with mature trees and hedges enhancing the privacy of this single level home. The large family room features a fireplace and opens up to a big covered patio looking out to the lush backyard with a magnificent Japanese Maple Tree as the center piece. The open kitchen is the heart of the action, with a breakfast bar off the family room and the formal dining room on the other side. Granite slab countertops and the Bosch range with induction cooktop makes cooking fast and easy. The solar panels are owned and offset most of the power usage. The Seller has owned and lived in this property since 1986. She has made many upgrades and meticulously maintained the home over the years. Come see this gem for yourself.
