Innately charming, this classic bungalow style home was reimagined to provide gracious space for socializing, cooking with friends or family, working at home and relaxing with privacy. A bespoke kitchen with custom cabinets and yards of counter space, high-end appliances, a breakfast area with TV nook, and room to gather is open to a bright, cozy family room. A "corner office" in the family room has access to the patio. Gleaming oak floors, plantation shutters and custom lighting are marks of attention to detail. House has useful (unfinished) attic and basement space. Special to the property is a detached guest suite with full bath and "private" patio. The detached garage has a separate "vintage" workshop for crafts, hobbies, workout room or whathaveyou.
