N/A, Menlo Park,

Just completed, brand-new construction in prime Menlo Park with western foothill views from the 2nd story and a massive, sun-drenched yard. Every finish was elevated: Wolf 48" induction range with custom wood-clad canopy hood, Sub-Zero paneled refrigerator, Calacatta Abezzo slab countertops/backsplash with a waterfall island, and a butlers pantry finished in matching slab. Custom cabinetry to the ceiling with Light Vicenza Oak finishes and wood interiors, wide-plank Alta Vista White Oak floors and designer lighting. The luxe grand bath features heated floors and curated tile; secondary baths are similarly upgraded. Thoughtful tech and power include owned 6.08 kW solar, Tesla Powerwall battery backup, low-volt enhancements, generous dimmers/undercabinet lighting and optimized outlet/TV locations. Seamless indoor-outdoor living flows to a covered lounge with heat-managed fireplace overlooking the expansive yard. A private attached ADU with full kitchenette adds ideal space for guests, office, or multigenerational living. Curb appeal pops with a plank entry door with glass sidelite and modern vertical metal balusters; epoxy-finished garage and upgraded fencing with an additional gate complete the package. A rare turnkey opportunity. Moments to Stanford and top amenities.
