N/A, Sunnyvale,

Lovingly remodeled with unparalleled walkability, just steps from the Sunnyvale Farmers Market, Whole Foods, dozens of elite restaurants, and a growing array of diverse entertainment venues (such as Tippy Putt and a Dine In Movie Theater), coffee shops, and retail options in the rapidly expanding Murphy and McKinley Avenues Corridor, this classic Craftsman with modern updates offers a main level with two bedrooms, one and a half fully remodeled bathrooms, a traditional living room, entry to a basement with additional storage space, laundry room, and a fully remodeled kitchen with new cabinets and appliances, stylish quartz countertops, full backsplash with Craftsman-appropriate subway tile, and in ceiling LED lighting. Two spacious bedrooms upstairs, waiting for Jack-and-Jill bath or combining into one jaw dropping ensuite. The backyard refuge offers impeccable privacy, thanks to its surprising depth (with ample room for rearward expansion) and natural tree-covered canopy. A one-car garage (currently used as a storage room) and deep driveway provide ample off-street parking, and a professionally installed Trex deck with stylish and robust iron railing, which spans the full width of the house, offers ample space for outdoor relaxation, entertainment, and dining.
