A TASTE OF NAPA VALLEY in the City of Good Living on a creatively reimagined property designed with the relaxed atmosphere of upscale wine country gardens and grounds, with a petite Modern Farmhouse and studio cottage nestled in the midst. Charm begins at the curb with a thoughtfully composed landscape, inviting farmhouse porch, corrugated metal awnings and a paver driveway with gated privacy fence offering a glimpse of the cottage beyond. The all-white Farmhouse interior is brought to life by natural-toned hardwood floors and Moroccan floor tile with bold, geometric flair. Recessed lighting illuminates living spaces, which include a fireside living room with barn door to private bedrooms, a well-conceived kitchen with a classic farmhouse sink and suite of stainless steel appliances, and a dining area with double French doors to a backyard garden oasis, complete with a patio, fireplace, cedar hot tub, raised garden beds, DG lounging platform and a charming studio cottage with an open beam ceiling and full bath, providing versatile options for modern living.
