Residential on 0 Acres

N/A, Santa Clara,

The only four-bedroom townhouse (not a restrictive co-op) or condo for sale in all of southwest Santa Clara, this Eichler townhome offers all the builder's traditional mid-century trademarks, floor-to-ceiling windows and well-placed skylights letting in abundant natural light, multiple private and spacious enclosed patios for natural indoor-outdoor living and dining, luxurious (and community-maintained) radiant floor heating, and timeless open beam plus tongue-and-groove ceilings, along with a litany of modern improvements. The lengthy list of upgrades include two and a half fully-remodeled bathrooms, a laundry system, air conditioning, and luxury wide plank flooring. Built at a time when land was more readily available, hence the ample park and green space and spacious amenities (including a great pool) throughout the complex as well as the deeded outdoor space and attached covered parking plus another labeled street spot so units feel like a single family mid-century home. In the heart of Santa Clara and benefiting from the City's enviably low utility costs, this lovingly maintained home is just a short bike ride to Apple and Central Park and a quick drive to the South Bay's employers and in a welcoming community with ample inclusions and amenities.
