Immaculately expanded and remodeled, this move-in-ready single family home is privately located on a low-traffic cul-de-sac in one of Santa Claras most desirable neighborhoods, Mariposa Gardens, with in-demand Sutter Elementary. Re-envisioned and re-designed by Mark Lupo Interiors, nearly every detail has been contemplated, including a phenomenal floor plan where the great room encompasses the entire north side of the house, ensuring natural light flows from front to back through oversized custom windows and sliders, illuminating wide-plank hardwood flooring and a chefs kitchen with dual-tone cabinetry, ample counter space, and upscale appliances including a 36 gas range and high-CFM hood. Step through a barn doorway to the expanded south wing to find three generously sized bedrooms and two spacious bathroom, both en suites, ideal for single level living. The master suite commands the entire rear of the home, with two walk-in closets, slider access to the back yard, dual sink vanity, a walk-in shower with bench seating, and a private toilet room. Also central HVAC, custom hardscape, drought-resistant landscaping, and a finished epoxied garage and 220v EV.
