Residential on 0 Acres

N/A, Palo Alto,

Outstanding location in the heart of Professorville, just blocks to downtown, this classic craftsman shingle home sits on a sunny south-facing corner lot and showcases timeless character throughout. A welcoming porch with Dutch door opens to an impressive great room with soaring beamed ceilings, bay-window seating, double-hung windows, original wood paneling, and a clinker-brick wood-burning fireplace. The dining room offers display shelving and a vaulted, exposed-beam ceiling, while the kitchen retains vintage charm with an antique enamel-finished gas range, granite counters, and a wall-mounted faucet. A main-floor bedroom adjoins an enclosed sun porch with access to the rear patio, complemented by a full bath with cast-iron tub and a separate laundry room-all on the main level. Upstairs are two spacious bedrooms with multiple windows, exposed beams, and abundant natural light, along with a second bath with stall shower. Additional features include upgraded electrical, fresh paint, and a detached one-car garage. This exceptional location provides easy access to downtown Palo Alto shops and restaurants, Whole Foods, Stanford University, and ideal commute routes, all within the excellent Palo Alto school district. First time available in over 60 years-a very rare opportunity.
