1009 Miramontes is an incredible Coastsider property, that is quiet and private, located in the heart of downtown Half Moon Bay just 3 blocks from Main Street. This bohemian dream affords endless possibilities, set in a beautiful area with magnificent pastoral views. It is a flag lot that is just over a 1/4 of an acre, nestled near the creekside and farm land, with a custom built single family home with custom wood details and owned solar paneling. The light filled home w/ high ceilings, many skylights, and windows overlooks the gorgeous neighboring farm property. In the well-sized kitchen there is a new induction range, new refrigerator, and new washing machine in laundry. The remainder of the main house has two sunrooms, 3 bathrooms, cozy gas burning stove, and several loft areas. Zoning is R-2 and the second dwelling has a private garden area, 2 bedrooms, bathroom, kitchen, and dining room. On the exterior there is a large deck for entertaining, many mature fruit trees: apples, pears, plums, lemon, persimmon and 20' garden beds that have been farmed organically for over 40 years. Additional 2 car covered carport, separate office, workshop, storage and garden shed is perfect for your outdoor projects. Bring your imagination and add to the beauty that is already there!
