N/A, San Jose,

One of the best locations and views of all the 62 Homes in The Almaden Villas! All three balconies, yes, three balconies have different views and feel. You will be in the upper hill area of the rare Almaden Villas where you will be looking at the vast views of the Almaden Hills & Mount Umunhum. The lovely entry area welcomes all into an open, bright living area with 15-foot ceilings. These views continue towards a large south-facing balcony, large enough for many fun get-togethers or some quaint, quieter times. The attractive remodeled kitchen is logically located between the media area and the dining room, which is very efficient for entertaining. On its own private floor is the primary suite, with a relaxing north-facing patio, a fireplace, an attached flex-space-office, a walk-in closet, and a luxurious full bathroom with a deep soaking tub. The third sunny balcony of the second bedroom looks up to the gorgeous Sierra Azul Open Preserve. Sharing a full double-sink bathroom, this second bedroom and a large third bedroom offer almost 2400 square feet in one beautiful home. The Community building, the two distinct pool areas, the two tennis courts, the two sauna rooms, the racquetball court, and the covered jacuzzi area can all be yours at the Almaden Villas!
