N/A, Santa Clara,

This well built gem is a must see in Santa Clara. This family home was owned continuously by the same family since built in 1947 by the builder-owner. Nice layout with convenient unique features including a large basement. House on surprisingly quiet street, nice driveway and 2 car garage with a workshop and covered patio (ADU possibilities as well). Quaint house is largely original. Kitchen has been remodeled and copper pipes throughout. Buyers could really make a beautiful, one of a kind home here.

Built in 1947
