N/A, San Jose,

Delightful townhome with wonderful natural light in Tuscany Hills! Enjoy the sunset with your favorite beverage and appetizer on the incredible oversized veranda overlooking open space with views of the hills; this combination of views and the size of the veranda is special and unique within the community. Inside, you'll enjoy vaulted ceilings and an open-concept kitchen and dining area which faces the living room and has access to an additional arch-framed balcony - another ideal spot to enjoy your views! The primary suite, with its large private bathroom (soaking tub, dual sinks and stall shower) and walk in closet is located conveniently on this main level. Two other bedrooms are down the steps off the home's entry. Each of the three bedrooms feels separated and private, making this a very flexible floor plan, conducive to guests staying over, creating private office/work space, or even creating a second living space in the downstairs room that opens to the veranda. The two car garage faces the street for easy access. The Tuscany Hills community is attractive and popular and is known for its beautiful, hilly walking routes and "Grand Staircase" so that you can hit all your new year's goals! Reasonable HOA dues too!
