2 Bedroom, 3.00 Bathroom, 1,052 sqft  
Residential on 0 Acres

N/A, San Jose,

End-unit privacy with no neighbors above or below this 2-bed, 2.5-bath condo lives more like a townhome than a traditional condo. High ceilings and natural light fill both bedrooms. The kitchen features granite countertops and stainless steel appliances. Interior paint and carpet were updated just two years ago, so the home still feels fresh and move-in ready. Indoor washer/dryer hookups add everyday convenience. Step outside and you're overlooking the community pond one of the quieter, more scenic spots in the complex. This is a private gated community with pool and tennis court access included. End units like this rarely hit the market. Photos shown are from the previous staging and fire in fireplace is AI generated. Home is currently furnished with the owner's personal belongings.

Built in 1985
